### Be Safe, Be Seen with HELLA's Safety DayLights™

The forward facing signal lamps enhance the visibility of your vehicle significantly to other road users during daylight hours and thereby reduce the risk of an 'accidental oversight' collision.

**For a limited time purchase any of the listed HELLA LED Safety DayLights™ and receive a HELLA Magnetic Phone Holder for free.**

The magnetic phone holder attaches securely to a car air vent with a spring loaded clip to enable the phone to be used as a GPS.
